

The Magical Master Snowman and the Black Dragon

*Written and Illustrated by
Josephine Chaudoin Harrison*

Few children's books of adventure and discovery approach the subject of a child's death and what happens to the soul afterwards. Even fewer do it with such an endearing heroine and such beguiling images as *The Magical Master Snowman*. Part fairy tale and part parable, encompassing life on Earth and the realms beyond, this story is one to read and remember. It is beautifully illustrated with colourful fabric collages and over seventy pen drawings by the author, an accomplished artist.

“
*Her work
literally
has to be seen
to be
believed.*
