

Author Event: Brian Hayden, *The Eyes of the Leopard*

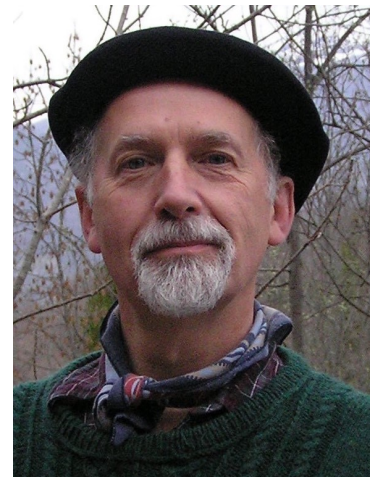

Sat Apr 22
2:00 — 3:00 pm

BC author and SFU emeritus archaeologist Brian Hayden reads from his new novel, *Eyes of the Leopard*, set in Stone Age France amongst giant mammoths, cave lions, and painted caves. Thirteen-year-old Sev and his family are grudgingly accepted into the Bear Clan. When his father gets deeper into the mysterious group of

shamans who commune with spirits, Sev accepts a dare to enter their forbidden cavern and unravel their secrets—risking exile from the Clan. An exciting adventure for teens and adults!

Free but space is limited; contact the Library or register on our website's Event Calendar.

Also accessible live on Zoom from our website.
